

April Newsletter

From the Director...

Dear Parents, We successfully implemented ProCare Software for parent sign-in and Sign-out and most of the parents and their designated friends and family for drop and pick also registered and using the system. By any reason if you are not registered in ProCare Software system or have issues in using it please let us know immediately. We also request you all that the laptop and the finger print scanner is strictly for parents and adults but not to touch students. Please let your child know and make sure they are not touching the system or change its settings in order to serve you all better. As far as the center security, the management is on top of everything and instructed our teachers to strictly follow the guidelines posted on the play ground door. If you have any questions or concerns, please feel free to reach out Ms. Uma Kudupudi or Ms. Janese Ramirez for immediate attention. Once again, we thank all our parents and teachers understanding the need and supporting the measures we took for the safety of everyone at FLMA.

Thank You,

Dr. Uma Kudupudi
Executive Director

Infant/Baby Room

In March, we learned about the sounds of k and l. We reviewed numbers 1-3, shapes (shamrock and oval) and color green. Baby sign continued in March. The children did St Patrick Day art. The children had a week of vocabulary words.

In April, we will learn about the sounds of m and n associating the sounds with words; numbers 4&5; shape star. The colors of this month will be orange and yellow. We will do some Earth Day, Easter and spring art. Baby sign will continue in April.

In March, FLMA and Seedling class welcomed Aniv, Haraish and Girish. In March, Akash had a birthday turning 2 being promoted him to the 2 years old class.

Here are some Reminders:

And please remember to label and date all of your child's food for it is licensing requirement. Your child will need a fitted sheet each day for it too is licensing requirement. Please remember to dress your child weather appropriate.

If one's child is going to be absent or your child's schedule changes please inform FLMA management. Also please inform the Seedling's teachers if you plan on picking up your baby early at drop off.

Toddler

Hello, Maple Tree parents! March was lots of fun, but it has come to an end. We are extremely excited that April is here!! This month will be full of activities and Easter eggs. This month's theme is Easter and spring. We will be learning letters "D", "E", "T", "C", and "M". We will also be learning number 8. We will have lots of fun activities that include paints, egg decoration, movement, and flowers! Maple tree classroom would like to wish you a happy Easter, Let's welcome Spring!

Redwoods

It is hard to believe that we have only two more months until the school year is over. We welcomed spring in the month of March and children are excited about all the fun events coming up in April. During the month of April we will study different parts of plants and their functions. We will also study our planet EARTH. On Friday April 19th we will have an egg hunt party and on April 22nd we will celebrate Earth day. We will teach our students how to take care of our blue planet.

Rainforest Classroom

March Recap

The children enjoyed learning about Asia and birds as well as painting with watercolors. There was so much to learn. We saw some beautiful artwork! We hope you enjoyed their artwork too.

April News

During the month of April we will be talking about Recycling, Reusing and Repurposing. We will learn how it is important to take of our planet and what we can to preserve it. We will also do some gardening and talk about our insect friends and their very important role on our planet. During April we also learn about our friends the amphibians and work on the Life Cycle of the frog.
