26 Introduction Five Oceans	27 Ocean Biomes	28 Ocean Animals	29 Art Project Sea Animals	30 Sharing Favorite Sea Animals

Newsletter July

We had a fun-filled month of June. The children enjoyed riding their bikes during our World Bicycle Day.

Thank you to all the parents who supported our theme, for this month. As we continued are lesson about Europe we learned so much about Switzerland, Ukraine and Great Britain. The children had fun tasting Swiss chocolates from our friends Shreehith and Eva. Thank you to Ms. Nadia and Ms. Iryna who bought us special treats from Ukraine and taught us how to count and say Thank you in Ukrainian. If you hear your child counting Odyn, Dva, Try, Chotyry, P'yat, Shist, Sim, Visim, Dev'yat, Desyat' that is how you count one to ten in Ukrainian, Amazing !!! Also, we learned about different types of bird and their body parts. The most exciting part was our Fun Week, the children had so much fun running around the sprinkler and got wet plus we painted rocks and made our orange juice and honeydew juice. Thank you to Raven for donating school supplies and snacks for our class we really appreciate your generosity.

We will continue our summer fun activities in July and we add Science Fair project week please stay tuned for materials that we will be needing for each projects.

Independence Day Observed
 July 5th - Monday

Dates to Remember :

Science Fair Week - July 12- 16
 Fun Week - July 19 to 23

Welcome to Rainforest Classroom!!!

Shivaan, Sudhiksha, Anvika, Jia, Dhruv and Jasdeep

We extend our warm welcome to all our new families and little ones joining us Folsom Lake Montessori Academy. We thank you for allowing us the opportunity to share this precious year with you.
